2. GOALS, STRATEGIES, TIME LINE

Name: _____ Date: _____ (Page 2 of 2)

Based on the areas you identified on page 1: Self- Assessment, identify what you will do next. These are your **goals**. They should be specific and measurable. **Strategies** should be detailed, such as: gathering materials, interviewing specific people, visiting specific places to observe, etc. Add **resources** such as written materials you will read, websites you will explore, funding needed to attend events, etc. Finally think about how long it will take to reach your goal. This is your **timeline** and helps you meet your goal. Put a month and year next to each goal and/or strategy showing when you expect to complete it or check in on your progress; this is the **status**.
