**Voices of Learning:  
Adult Learning and Instructional design**

*\*this workshop meets a requirement for approval in Vermont's Instructor Registry. (Higher education faculty are exempt from this requirement.)*

Teaching adults requires a different set of knowledge and skills than teaching children. Learn what they are, practice applying them, and find out how instructors fit into Vermont's Professional Development System.

Learning Objectives: You will -

- Identify and experience six foundational principles of adult learning.
- Identify your preferred learning style and examine strategies to intentionally consider a variety of learning preferences in your training design.
- Prepare achievement-based objectives for your training content.
- Determine a training topic and practice using the steps of training design.

**WHERE – ONLINE:** You must have basic computer skills, a readily accessible computer with internet, and an email address

**WHEN –** Winter 2018 and more dates to be announced.

Completion will result in 12 hours of verified training. Plan on being online often, 2-3 total hours/week during the course.

**COST –** \$50
